Payees Paid*

This question is very important. If you are uncertain which box to check, please read the information below "Who should you list on this form?"

- NO ONE PAID
- I Have Payments To Report

Please Note: List only those payees that PTA pays directly for services. Do NOT list payees when monies are donated to a school district to pay workers.

Who should you list on this form?

Any individuals or companies paid directly by PTA for services, including employees and independent contractors, are considered to be hired by the PTA and must be listed on this form. You must list the name of the individual worker, type of work performed, dates worked, amount paid, and whether this person has his/her own Workers’ Compensation insurance on the Workers’ Compensation Annual Payroll Report. If the PTA does not pay the worker directly but donates the money to the school, do not list the worker.

You must be specific about what type of work is performed. Some examples:

- Babysitters must be listed on this form when paid by the PTA
- Off-duty policemen hired by PTA, with payment made by the PTA directly to the officer, must be listed on this form.
- Individuals such as technology aides paid by a school district or other employer are NOT considered to be hired by the PTA and are not listed on this form.
- Individuals such as technology aides paid by a PTA as independent contractors ARE considered to be hired by the PTA and ARE listed on this form.
- Individuals paid by the PTA and the PTA has filed any employment report ARE considered to be hired by the PTA and ARE listed on this form.
- Payments to police departments or security agencies for security personnel are not included, if the persons were salaried by the department or agency during the period of service to the PTA.
