- Promote schools as safe and welcoming environments for all students, families and communities and support children's health and welfare in all aspects of their lives
- Support and protect high-quality public education from efforts that would weaken this vital foundation of our democracy
- Advocate for authentic and measurable family engagement standards in education policy.

California State PTA connects families, schools and communities. We are part of the foundation of our public-education system and a trusted messenger to millions of members, parents, families, educators and allied agencies throughout the state. PTA is the nation's largest volunteer-led child-advocacy association working to drive improvements in the education, health and well-being of all children and families.
