GIVE YOUR KIDS THE JOY THEY DESERVE... WHEN THEY NEED IT THE MOST!

Scholastic Book Fairs
ARE A LITTLE BIT OF NORMAL IN AN EVER-CHANGING WORLD.

Thousands of schools have safely and successfully brought the magic of a Scholastic Book Fair to their students this year. Talk to your school today about hosting this safe fundraising option to give kids access to books, support social-emotional wellbeing, build skills, and create community among kids.

WE'RE READY TO HELP WITH:

- New contactless and socially distant models to meet your school's needs
- Strict safety practices to put your mind at ease
- Planning and preparation to minimize the number of volunteers required
