STANDARD ONE

WELCOMING ALL FAMILIES

Standard 1: Welcoming all families into the school community—Families are active participants in the life of the school, and feel welcomed, valued, and connected to each other, to school staff, and to what students are learning and doing in class.

STANDARD TWO

COMMUNICATING EFFECTIVELY

Standard 2: Communicating effectively—Families and school staff engage in regular, two-way, meaningful communication about student learning.

STANDARD THREE

SUPPORTING STUDENT SUCCESS

Standard 3: Supporting student success—

Families and school staff continuously collaborate to support students' learning and healthy development both at home and at school, and have regular opportunities to strengthen their knowledge and skills to do so effectively.

STANDARD FOUR

SPEAKING UP FOR ALL CHILDREN

Standard 4: Speaking up for every child—
Families are empowered to be advocates for
their own and other children, to ensure that
students are treated fairly and have access
to learning opportunities that will support
their success.

STANDARD FIVE SHARING POWER

Standard 5: Sharing power—Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

STANDARD SIX

COLLABORATING WITH THE COMMUNITY

Standard 6: Collaborating with community—Families and school staff collaborate with community members to connect students, families, and staff to expanded learning opportunities, community services, and civic participation.
