NOMINATING COMMITTEE ELECTIONS

It's time to elect your PTA's Nominating Committee. The bylaws for local PTA/PTSA units state the nominating committee is elected by the membership at an association meeting at least two months prior to the annual election meeting.

This committee is one of the most important committees of your PTA. Why? The committee should:

- Be knowledgeable about the long-term objectives of your PTA
- Understand the job requirements for each position
- Seek individuals who, as a team, can help your PTA achieve its goals.

When does the committee meet? For PTAs that meet three to four times a year, the election of the nominating committee occurs in the fall. For PTAs with frequent association meetings, the nominating committee election is held in December, January or February.
