| AB 439 | Stone, Mark D | Juveniles: competency. | 7/31/2019-Approved by the Governor. Chaptered by Secretary of State - Chapter 161, Statutes of 2019. | Current law requires a court, if it has a doubt that a minor who is subject to any juvenile proceedings is competent, to suspend all proceedings. Upon suspension of proceedings, current law requires the court to appoint an expert, as specified, to evaluate the minor. Current law states that these provisions do not authorize or require the placement of a minor who is incompetent in a developmental center or community facility operated by the State Department of Developmental Services without a determination by a regional center director, or the director's designee, that the minor has a developmental disability and is eligible for services, as specified. This bill would delete the statement that the provisions above do not authorize or require the placement of a minor who is incompetent in a developmental center or community facility operated by the State Department of Developmental Services without a determination by a regional center director, or the director's designee, that the minor has a developmental disability and is eligible for services. | www.communityconcerns | Support |

| AB 531 | Friedman D | Foster youth: housing. | 8/21/2020-Failed Deadline pursuant to Rule 61(b)(15). (Last location was S. 2 YEAR on 8/30/2019) | The California Community Care Facilities Act requires the State Department of Social Services to license and regulate transitional housing placement providers as a community care facility. A “transitional housing placement provider” is an organization licensed by the department to provide transitional housing to foster children at least 16 years of age and not more than 18 years of age, and nonminor dependents to promote their transition to adulthood. Current law requires transitional housing units to include, among others, a host family certified by a transitional housing placement provider. This bill would authorize a host family to be certified by the transitional housing placement provider, or to be an approved resource family, a licensed foster family home or certified foster home, an approved relative caregiver, or a nonrelative extended family member of a participant, without requiring additional certification by the transitional housing placement provider. The bill would require, if a nonminor dependent receiving transitional housing services lives with a host family, payment for those services to be split equally between the transitional housing placement provider, the host family, and the nonminor dependent, unless a different apportionment is agreed to by all parties. | www.communityconcerns | Support |
| AB 578 | Mullin D | Teachers: The California STEM Teaching Pathway Act of 2019. | 2/3/2020-From committee: Filed with the Chief Clerk pursuant to Joint Rule 56. | Creates a program to recruit, prepare, support and retain qualified STEM professionals as teachers and appropriates \$27 million on a one-time basis in the 2019-20 fiscal year for the program. The funding will be competitively awarded to partnerships of schools and institutions with teacher preparations programs and will be divided into three \$9 million subgrants to recruit and support teachers in three areas: (a) computer science and engineering, (b) science and (c) math | www.education | Support |
