Enter to win one of ten free registrations to the 2020 California State PTA convention—if 100 percent of your full-time, home-based credentialed teachers join your PTA

How does my unit participate? A unit that has 100 percent of its teachers join completes the attached application and submits California State PTA by midnight, February 1, 2020 via one of the following methods:

• Mail applications to the California State PTA office, 2327 L Street, Sacramento, CA 95816-5014.
• Scan applications and email to ibarragan@capta.org.
• FAX applications to (916) 440-1986.

Qualifying applications must be received no later than midnight on February 1, 2020.

How do I complete the application? Please follow these guidelines:

• 100 percent of the number of full-time, home-based credentialed teachers at your school must have joined, with membership dues remitted and received in the California State PTA office no later than midnight, February 1, 2020.
• A list of full-time credentialed teachers must be submitted as part of the application. Your principal’s signature will verify that all full-time credentialed teachers based at your school site this school year have been listed.
• The signature of the PTA president will verify that per capita for 100% of the number of full-time credentialed teachers at your school site has been remitted to California State PTA by midnight, February 1, 2020.

How will we determine which teachers to include on the teacher list?

• This membership challenge is based on the number of full-time home-based credentialed teachers at your school, i.e. teachers who hold a California teaching credential, with a full-time teaching contract. ‘Home-based’ refers to the school to which the teacher has been assigned and/or receives a paycheck.
• Para-educators, educational aides, instructional aides are not credentialed teachers.
• Full time teachers include, but are not limited to: K-6 classroom, PE, Art, Math, Science, Social Studies, Humanities, Drama, Foreign Language, Resource, Title 1, Special Ed, etc.
• Work with your principal. A list of full-time home-based credentialed teachers at your school may already be available, or may be easily provided by your school office staff.
“Teachers Matter” is the Membership Challenge to PTA units to recognize the value of teachers as stakeholders, advocating for all children through PTA membership. This challenge will begin August 13, 2019 and conclude February 1, 2020.
