

DELIVERY OF UNSOLICITED AND HAZARDOUS PRODUCTS

Adopted by Convention Delegates May 7, 1971

Reviewed by Board of Managers January 2010

- WHEREAS, One of the Objects of the National Congress of Parents and Teachers is to secure adequate laws for the care and protection of children and youth; and
- WHEREAS, The PTA Action Program is assigned to give full consideration of ongoing projects of PTA such as continuous health supervision for children from birth through high school; and
- WHEREAS, There is increasing unsolicited distribution by mail and through other methods, of “samples” of products such as cough medicines, mouthwashes, detergents, tablets, cigarettes, and razor blades which may be hazardous to children and which, because of the methods of distribution are easily accessible to children; therefore be it
- RESOLVED,** That the California PTA take immediate action to encourage and support legislation and/or regulations which would eliminate the delivery of unsolicited and hazardous products to residences by mail or other means.
