

July 2018

Dear PTA Rock Star,

YOU ARE A PTA ROCK STAR! You have taken on a leadership role in your school, and we thank you!

Enclosed you will find the “Leadership Made Easy” summer mailing which has been designed to help make your leadership role in PTA as easy, effective and efficient as possible. The resources in this packet were created *by* PTA leaders *for* PTA leaders so you can get a jump start on a great year ahead!

You’ll find a variety of resources including information about convention, regional conferences, membership marketing, scholarships, grants and more. Plus, you’ll also find a PTA calendar with a place to add local deadlines, information on the PTA Store and opportunities from allied agencies and information from PTA sponsors.

I can remember when I was a PTA leader in my school. I was overwhelmed with all the new information, just as you might be. But, I assure you...we are there for you! We believe in you, and we want to support you as best as we can.

Teamwork, clear goals, timelines and PTA resources will be the key to a positive and productive PTA year. Take some time to look through the resources provided to learn new ideas, gain inspiration and guidance. Pass the information out to your board members. Visit www.capta.org for more resources and follow us on social media so that you always have the most up-to-date information.
