Learn more about PTA policies, procedures and best practices for handling and managing unit funds.

It’s also worthwhile to talk to the former treasurer to get advice and tips about your new role.

If a computer program or online system is used to maintain PTA financial records, take time to discuss how files can be transferred, accessed and saved.

Schedule Meetings – Meet with other incoming board members such as the president, secretary, financial secretary and auditor to talk about how you can work effectively together. Check your unit bylaws to see who does what in handling, recording and tracking PTA funds.

Provide information to the board-elect on how to collect and count PTA funds and how to file expenses using best practices and procedures.

As treasurer-elect, arrange to meet with the budget committee to prepare a budget as a financial plan for the upcoming PTA year.

Important Tasks – At the start of the term, remember to update the signature cards for any PTA bank account and any usernames and passwords for access to online financial programs and services.

How Tos

Managing PTA Funds – All board members share a fiduciary responsibility to manage PTA money well on behalf of the association. And, as one of three required officers for a PTA, the treasurer is the authorized custodian of PTA funds.

Start the year right by getting organized. Create a filing system to maintain a paper trail for records such as invoices, receipts and authorizations for payment.

Remember to use PTA policies, procedures and best practices for handling financial transactions. This will help to ensure good management of PTA funds.
